

Creating a safe and secure environment.

AVIATION - CONSTRUCTION - GOVERNMENT - NGO - MARITIME - MEDIA - OIL & GAS - INFRASTRUCTURE - SUPPLY CHAIN

Erinys is an international risk management company delivering innovative, integrated security solutions across land, sea and air.

Erinys is a risk management company that combines an unparalleled level of military experience with commercial understanding and expertise. We are bringing together former Special Forces and conventional military personnel qualified in the fields of intelligence, energy, humanitarian activities, commerce, government, aviation and maritime. Erinys is serving multinational corporations, governments, and NGOs, and maintains operations worldwide.

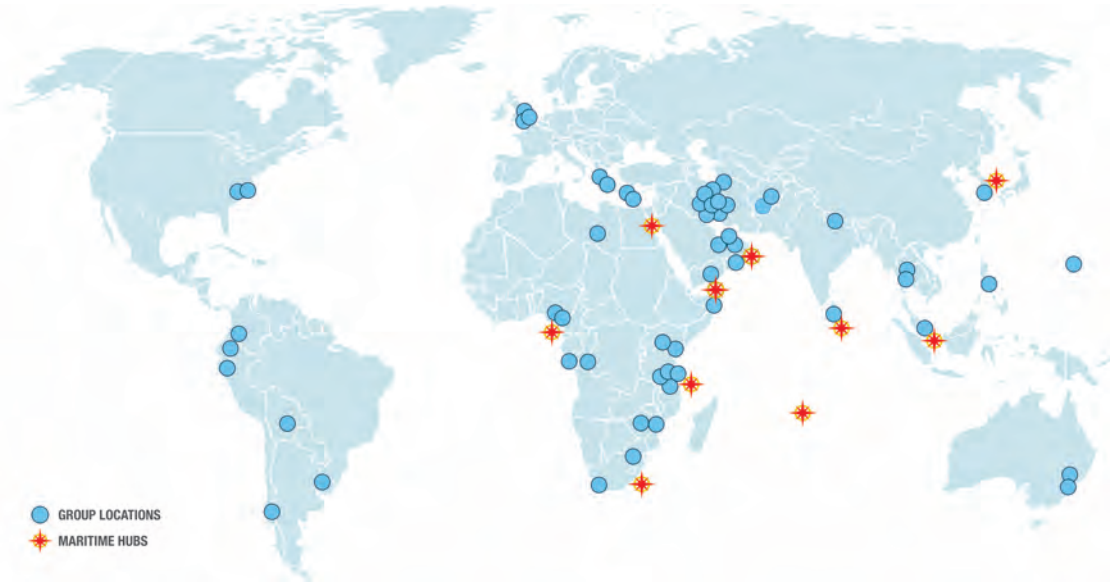

Our mission.

Erinys provides a safe and secure environment that protects our clients' personnel, assets and reputation, enabling them to focus on their core business.

Group Global Network

Erinys understands the commercial realities our clients face operating in the global market place. Although every organisation is susceptible to risk, Erinys can effectively mitigate risk by identifying and solving problems before they arise.

“ Erinys has a distinguished and unique history of supporting the Government of Iraq in the formation and transition of the 16,000 strong nationwide Erinys Oil Protection Force to the Ministry of Oil. ”

Our continued success is attributable to the way in which we operate; we provide organisations with tailored solutions rather than templates. Erinys maintains a strategic over watch of shifting threats and opportunities which are likely to impact upon our client's operations. Our solutions and operating procedures are continually reviewed to take these into account.

Erinys is committed to training and empowering the communities we work within. Our Socioeconomic Policies are pioneering and a key element of our success, particularly in Iraq and Afghanistan.
